Are curing the Sick to an extent never before known of any Medicine.

INVALIDS, READ AND JUDGE FOR YOURSELVES. JULES HAUEL, Esq., the well known perfumer, of Chestnut Street, Philadelphia, whose choice products I are found at almost every toilet, says:

"I am happy to say of your Unreasure Pills, that I have found them a better family medicine, for common use, than any other within my knowledge. Many of my friends have realized marked benefits from them, and coincide with me in believing that they possess extraordinary virtues for driving out diseases and curing the sick. They are not only effectual, but sefs and pleasant to be taken—qualities which must make them valued by the public, when they are known."

The vaserable Chancellor WARDLAW writes from Rel-

The venerable Chancellor WARDLAW writes from Baltimore. 15th April, 1854:

The widely renowned S. S. STEVENS, M. D., of Wentworth, N. H., writes:

"Having used your Carmanic Prils in my practice, I certify from experience that they are an invaluable purpative. In cases of disordered functions of the liver, causing headache, indigestion, contiveness, and the great variety of diseases that follow, they are a surer remedy than any other. In all cases where a purgative remedy is required, I confidently recommend these Pills to the public, as superior to any other I have ever found. They are sure in their operation, and perfectly afe—qualities which make them an invaluable article for public use. I have for many years known your Cherry Pecterol as the best Cough medicine in the world; and these Pills are in no wise inferior to that admirable preparation for the treatment of diseases."

With what keelings of rejoicing I write can only be imagined when you realize what I have suffered, and how long.

"Never until now have I been free from this loathsome disease in some shape. At times it attacked my eyes, and made me almost blind, hesides the unendurable pain; at eithers it settled in the scalp of my head, and destroyed my hair, and has kept me partly hald all my days; sometimes it came our in my face, and kept it for months a raw sore.

"About nine weeks ago I commenced taking your Cathastic Fills, and now an entirely free from the complaint. My eyes are well, my skin is fair, and my hair has commenced a healthy growth; all of which makes me feel already a new person.

ANDREW J. MESERVE,

Overseer of the Portemouth Manufacturing Co."

Cart. JOEL PRATT, of the ship Marion, writes from Boston, 30th April, 1854:

"Your Pills have cured me from a bilious attack which arose from derangement of the Liver, which had become very serious. I had failed of any relief by my Physician, and from every remedy I could try; but a few doses of your Pills have completely restored me to health. I have given them to my children for worms, with the best effects. They were promptly cured. I recommended them to a friend for costiveness, which had troubled him for months; he told me in a few days they had cured him. You make the best medicine in kie world; and I am free to say so."

You make the best medicine in kie world; and I am free to say so."

Read this from the distinguished Solicitor of the Supreme Court, whose brilliant abilities have made him well Enown, not only in this but the neighboring States.

"Nee Orleans, 5th April, 1854.

"Sig: I have great satisfaction in assuring you that myself and family have been very much benefited by your medicines. My wife was cured, two years since, of a severe and dangerous cough, by your CHERRY PECTORAL, and since then has enjoyed perfect health. My children have several times been cured from attacks of the Influence and Croup by it. It is an invaluable remedy for these complaints. Your CATMARTIC PILLS have entirely cured me from a dyspepula and costiveness, which has grown upon me for some years,—indeed, this cure is much more important, from the het that I had failed to get relief from the best Physicians which this section of the country affords, and from any of the numerous remedies I had taken.

es I had taken.

"You seem to us, Doctor, like a providential blessing our family, and you may well suppose we are not un aindful of it.

Yours respectfully,
LEAVITT THAXTER." "Senate Chamber, Ohio, April 5th, 1854.

"Da. J. C. Ayra — Honored Sir: I have made a thorough trial of the Caynaarte Pills, left me by your agent, and have been cured by them of the dreadful Rheumatism under which he found me suffering. The first dose relieved me, and a few subsequent doses have entirely removed the disease. I feel in better health now than for some years before, which I attribute entirely to the effects

of your Cathantic Pills. Yours with great respect, LUCIUS B. METCALF." The above are all from persons who are publicly known where they reside, and who would not make these statements without a thorough conviction that they were true. Prepared by J. C. AYER,

DR. JOHN BULL.

SOMETHING NEW AND VALUABLE

The most powerful King on the face of the globe now reigns supreme in the American Republic. The power of the crowned heads of Europe sint into insignificance when compared to our American King.

European kings employ the power vested in them to increase the riches of the rich and lordly, and to reduce to greater misery and degradation, the poor and dependent, our American King goes forth with equal willingness to the lordly massion and the humble cabin, ready alike to administer relief, and to offer health and happiness to the lofty and lowly, the rich and the poor.

DR. JOHN BULL'S AMERICAN KING OF PAIN Is the TENTH WONDER OF THE WORLD, and the greatest blessing ever offered to afflicted humanity; to the suffering millions, the Doctor can say, relief is at your command. You have only to use this magical rumsdy. All those who still suffer, and will not accept the profered Balm, deserve not the pity of their families.

This wonderful medicine, during the brief period since its introduction, has carried happiness to the hearts of thousands, and made life a charm to many who herotofors regarded it only as a painful and miserable existence.

thousands, and made life a charm to many who herecofore regarded it only as a painful and miserable existsume.

To the winds with all Liniments, Embrocations, Pain
Rillers, and Pain Extractors, and let millions of glad
tongues proclaim the merits of the great. "American
King of pain," a preparation composed solely of vegetables and roots, produced by America's own rich and
bounteous soil.

We would ask the Labins, who are always competent
judges of what is and what is not a valuable family medicine, to do us a special favor by giving the King of Pain
a single trial, and if satisfactory, exert their influence
in its behalf, recommend it, speak well and often of it,
and see that it is used by their afflicted neighbors. The
Ladies are always charitable, and when they induce their
suffering friends to use this really valuable medicins,
they will be doing an act of benevolence that they can
well be proud of. This is a powerful and truly-magical
remedy for all external diseases, sorce, swellings, burns,
&c. and for many internal afflictions is a certain cure,
yet it is perfectly harmless, and incapable of producing
the least injuricus effects in the most delicate cases or
the weakest constitution.

It is extirely useless to follow the cld and worn-out
system of publishing to the public thousands of certificates of wonders performed by this medicine. It costs
but twenty-fire cents to try it, and Dr. Buil stakes his
well carned reputation on the King of Pain doing ali
and more than he claims for it.

We would alk have you the Rheumatism or Gout;
these are not pleasant companions, and we know that
you would like to drive them away as soon as possible,
then use

"BULL'S KING OF PAIN."

Would you be cured almost immediately of Bowel

"BULL'S KING OF PAIN."

USE THE GREAT KING OF PAIN. Would you have your Sores, Swellings, Cuts, Burns, alds, Bruises, or any other wounds healed, we repeat

MAGICAL KING OF PAIN. Would you be cured of Scald Head, Still Joints, Sore Throat, Neuralgia, Sore Breast, Lumbago, Tetter or Ring Worm, Sait Rheum, Bites of Poleonous Insects, Chapped Hands, and all other Sores, either day or running, we say sgain and again You's RAMEDY is Dr. John Bull's "KING OF PAIN."

Would you be cured of King's Evil Cancer, Tumors, Eruptions, or any disease of the Skin caused by impure blood, then use Dr. John Bull's Barsaparilla internally, and the King of Fain externally, nothing can be more certain than a speedy and effectual cure.

It is a remarkable fact, that among the hundreds of sminent physicians who have examined the recipe by which Bull's Sarsaparilla is prepared, not one has condemned it, but all approve it, and commend it in the highest terms. Many physicians express themselves strongly in the belief that it is decidedly the best preparation of Sarsaparilla that has ever been placed before the public. Although there are many physicians who feel a refurtneed to having their names appended to the recommendation of any particular remedy, notwithstanding they may approve of it in the highest degree; there are others who frankly yield their support in favor of a remedy which they know is capable of doing so much good in an affilicted community. As an evidence, read the following from old and respectable physicians, of high standing in the community in which they live.

TESTIMONY:

RPTostimony like the following renders superflous all comments on the efficacy of Buil's Karsaparilia. From Dr. L. P. Yandali, Professor of Chemistry in the Louisville Medical College: I have looked over the list of ingredients composing John Buil's Extract of Sarsaparilla and have no hesitation in saying that they form a safe compound, and one that promises well in chronic diseases, to which it is applicable. L. P. YANDALL M.D. Louisville, June 6, 1848.

What Dr. Pyles, physician by appointment to the ouisville Marine Rospital says of Bull's Sarsaparilla: LOUISVILLE, March 20, 1849.

I have examined the prescription for the preparation of Jehn Bull's Sarsaparills, and I believe the combination to be an excellent one, and well calculated to produce an alterative impression on the system. I have used it both in public and private practice, and think it the best article now in use.

M. PYLES, M.D. Resident Physician Louisville Marine Hospital Better testimony than was ever offered in favor of any nedicine. Bev E. W. Schon — Rev. E. Stevenson :

LOUISVILLE, May 20, 1849. We have used John Bull's Sarsaparilla, and have known it to be used, with entire satisfaction; and we have no hesitation in stating our belief, that it is a safe and valuable medical compound, and calculated to pro-duce much good and relieve much suffering; and therefore would cheerfully and most exmestly recommend it to the

We would carnestly invite all persons who are suffering with any of the ills that flesh is her to, to call on Dr. John Bull's agent and get a copy of Bull's Family Journal graits; and for the sake of humanity we hope that a single individual will not be found unwilling to give Bull's Sarsaparilla a trial after reading and recollecting, at the same time, that it is impossible for excluding the Boctor to publish the tenth part of the number of certificates of astounding cures performed by his Saraparilla. The amount of restimony voluntarily showered on Dr. Bull's Sarsaparilla, from well known and distinguished individuals, both in public and private life, has been perfectly overwhelming.

IMPORTANT TO FARMERS! Premium Wheat Fans!

Premium Wheat Fans!

This undersigned wend respectfully inform the Parming public and all others interested, that they still continue to manufacture N. U. Tharber's fungroved Premium Wheat Fans. at their cid stand in Philadelphia, Tenn., and have also established shops at Cleveland, Tenn. and Dalton, Ga., where they will be happy to wait upon their old riends and as many new ones as may desire their machines.—These Fans are an improvement upon the "I. T. Genas Fan," by Mr. Thurber, who was the inventor of the Grant Fan. These Fans have received premiums where large numbers were on exhibition, in various States of the Union, to wit:—In New Yerk, where there were over fifty competitors for the premium, and in Ohio, where there were thirty contending for the same. Virginia, Pennsylvania, North Carolira, and the Middle Division of the State of Tennessee, have acknowledged the superiority of these Fans by awarding premiums, at their respective Fairs, to the proprietors.

These Fans enjoy unrivalled reputation wherever they have been used, for their superiority of construction, and the rapidity with which they perform their work—being able to clean one bushel per minute—and removing everything that could be accomplished by Smut Machines. One of these machines was usued and tried at Joseph Jones', near Fhiladelphia, Tenn., the result of which experiment the annaxed certificate will show—Good material shall be procured, and only good workmen to construct them, which enables us to warrant all work done at our shops. Those withing good machines would do well to send in their orders early, as the demand about harvest is usually greater than can be supplied with the desired dispatch. Letters addressed to the about Pans.

This certifies that the undersigned timed and tried N. U. Thurber's Improved Frenium Fan, and believe it to unch a degree of perfection that it cannot be rivalled by any Fan now in use; and we recommend all who stand in need of such a machine to examine this improved Fan before purchasing elsewhere.
